MEMORANDUM FOR: Col. Robert Rosenberg, NSC Staff

SUBJECT: Transmittal of Proposed Terms of Reference for IIM  
"Possible Soviet Reactions to Certain US Satellite  
Systems and Policies in Peacetime"

1. This is to confirm that the Interagency Intelligence Memorandum "Possible Soviet Reactions to Certain US Satellite Systems and Policies in Peacetime," which [ ] and I discussed with you, in fact is underway. The attached terms of reference are intended to take into account the points you made in our discussion. [ ] schedule calls for a completed draft to be available by 31 May.

2. I would appreciate if you would let me know by phone by the end of the week whether the terms of reference are satisfactory. I note that the draft PRM on a "Coherent National Space Policy" calls for its completion by 1 June. If this gives you serious problems with the schedule of [ ] study, we could discuss those problems when you call.

3. My green line is 3109.
